

For students Grade 8-12 only

Fax the completed form to Vaccine Centre, Ottawa Public Health: 613-580-2783

This publicly-funded vaccine batch order is:

- for catch-up Menactra[®] vaccines for clients needing to meet the new *Immunization of School Pupils Act* requirements
- not for high-risk clients, travellers or contact management
- for clients meeting both criteria:
 1. Attending school (Grade 8-12) AND
 2. Have never received Menactra[®]

Important considerations to be reviewed by practitioner:

- Menactra[®] is routinely given by public health departments in Ontario to grade 7/8 students at school clinics.
- If client received the vaccine in grade 7 or 8, **do not repeat**.
If uncertain, contact us at 613-580-6744.
- Physicians must provide to Ottawa Public Health the required information for each student immunized with Menactra[®].

FAX completed form to 613-580-2783.
