

Donation Information – Human Needs Task Force

The information and resources below are provided by the Human Needs Task Force, in partnership with community agencies to inform Ottawa residents where donated goods may be directed and where residents may obtain certain needed items. For any additional questions, please contact the Human Needs Task Force at:

HNTF@ottawa.ca / 613-580-2424, ext. 26753.

RESIDENTS REQUIRING NON-MEDICAL CLOTH MASKS

The Human Needs Task Force has partnered with several local community agencies to support the distribution of non-medical cloth masks.

If you are able to purchase a mask, please visit the Ottawa Public Health [website](#) for a list of vendors with masks available for sale. In addition, if you would like to support the distribution of masks to those in need, you can purchase masks from the United Way. You can also find directions on how to make a face mask online. There are directions for both sewn and non-sewn options.

If purchasing a mask is not an option for you, please connect with one of the [Community Health and Resource Centers](#) in your area.

RESIDENTS OFFERING TO DONATE NON-MEDICAL CLOTH MASKS

The Human Needs Task Force does not directly accept donations of cloth masks. In advance of dropping off your donation, please directly contact one of the following community partners who would be happy to receive your generous donation:
